

Life Cube Timeline of Innovation

Mobility

Airdrop Shelter

Transport

Mobile Shelter

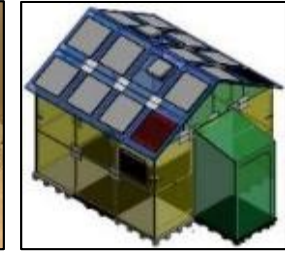

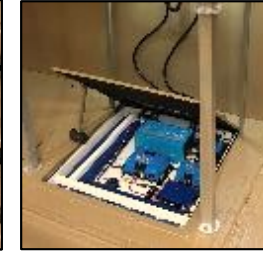

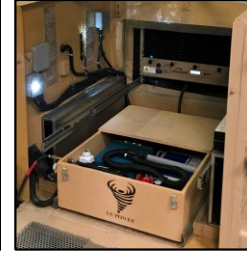

Refrigerator

Freezer Kit

Off-Grid Power

Rigid Wall Shelter

Buoyant Floor

Intellectual Property

- Airdroppable Survival Shelter
- Folding Floor
- Unique Air Beams & Canopy
- Snow-load Infrastructure
- Mobility Package - Hoops

Milestones

- Red Cross Requirements
- Tours of Manufacturers
- Formed Advisory Board
- Incorporation as C Corp.
- Core Patent

Intellectual Property

- Adv. Power Features
- Mobile Shelter
- Heavy Duty Hauler
- Buoyant Model
- Flex-Joint Design

Milestones

- United Nations Award
- Military & FEMA Expos
- Airdrop Simulation Test
- White Papers for Military
- USA Preparedness Plan
- Built Unit for FBI

Intellectual Property

- Refrig. Designed for Air Drop
- Rigid Wall Units
- Mobile Refrig. Unit - Kit
- Adv. Insulation with R-VIPs
- Power Advancements
- Patent Pending (4)

Milestones

- US Army R&D Contracts (3)
- Test Certification: Refrigeration
- Recruited Executives
- Demos for Army & Navy
- Innovation Awards (2)
- Temp. Housing Customer
- 1st Portable/Mobile Freezer

Expansion Goals:

Global Supply of Life Cubes to Users:

- Military
- Disaster Response
- Recreation

Develop better solutions for

- Air beam structures
- Rigid wall insulation
- Shelter transport and mobility

Startup Shelter Company
Phase 1 2009-10

Shelter R&D Company
Phase 2 2011-15

Shelter Technology Company
Phase 3 2016-21

Global Impact
Phase 4 2022-24
